Gil,

As discussed on our telephone call this morning, we want the immediate production of all communications with SoftPLC and Cindy Hollenbeck which were previously requested pursuant to Plaintiffs' Document Requests 35, 65 and 109.

In your production, please confirm that you are not withholding any documents based on any objections.

Presumably there should be no problem with producing the documents today. However, if for some reason you are unable to do so, please provide an explanation today as well as a time by which you intend to produce the documents. If you have any questions please let me know.

Thank you.

Best,

Paul
